## SPLIT PAYMENT OPTION

For adult Membership Categories, the option of paying 50% of your subscription prior to 31 January and the balance by 30 June is worth considering, particularly in the case where both husband and wife are members. There is only a small \$10 Service Charge for each member payable (last year that would have been \$80 for the household) and the spreading of the payment over a six month period certainly helps free up cashflow around the busy Christmas/New Year holiday season.

IT'S YOUR MONEY, YOU DESERVE IT.

## HAVE YOU CONSIDERED PAYING YOUR SUBSCRIPTION BY INSTALLMENT?

The Club offers a choice of instalment payment options to members in the adult categories that will help you with your cashflow and do away with the need for that big lump sum payment that can be a burden in the early New Year, as your bank account struggles to keep pace with holiday spending. Instalment payments are becoming popular, particularly where there is more than one member in the family. Minimum instalment payments are shown in the table below (rounded up), and if you want to pay your sub off earlier, just increase the installment amount accordingly:-

Category	Weekly	Fortnightly	Monthly
<b>SENIOR</b>	20.00	39.00	85.00
<b>9-HOLE</b>	13.00	26.00	56.00
<b>INT A</b>	14.00	27.00	58.00
<b>INT B</b>	10.00	20.00	42.00

If your subscription invoice includes other fees such as Locker Rental etc, just divide the total invoice by the number of payments instalment amount. Sub paid by instalment should be paid in full by 31 December 2010.

### SETTING UP AN INSTALLMENT PAYMENT

You can commence your auto payment as soon as you get your invoice in December and then just forget about your subscription for the rest of the year and enjoy your golf. You can set the payments up yourself if you wish via Internet Banking (our bank account details are below), or call to see Claire at the Club office to complete an auto-payment authority. Any credit/debit balance in your account at year end will be automatically added/deducted from your sub for the following year.
